ALL ARE INVITED

The performance expands upon the 19th and 20th Century history of live music staged at the Wagner. The event – part concert, part film set – will be featured in Nevarez & Tevere's upcoming work MEMORY OF A TIME TWICE LIVED. A reception will follow in the Wagner's 19th century natural history museum. Please register at wagnerfreeinstitute.org. For more information, contact Cara Scharf, 215-763-6529 x24.
